

Gouda's Travel Insurance Card

Below you will find your insurance card. Please ensure that you have your insurance card with you when you travel in case of an accident/emergency.

On your card you will find the phone number to our Emergency Centre, which is attended every day at all hours 365 days a year. Our Emergency Centre will assist and guide you wherever you are in the world. The Emergency Centre consists of Scandinavian doctors, nurses and crisis consultants who will help you in the case of an illness or an emergency. They do not only work with counseling and support, but will ensure that you as a patient get the treatment you need.

With Gouda's worldwide network and a personal database evaluated by our own customers, doctors and co-workers, we will make sure that you are provided with the best treatment, wherever you may be.

If you are in need of immediate assistance, please call:

Goudas Emergency Centre
(+45) 33 15 60 60

Examples of service you get via our Emergency Centre are:

- Direct contact with hospitals and doctors
- A guaranteed payment, so you will not have to pay for your hospital visits in advance
- Quality assurance of medical treatment
- Direct communication with you, your family and embassies
- Organization of repatriation and summoning of close relatives

Travel Insurance App

Gouda Travel Insurance has developed an app where you can enter your insurance information. The app can be downloaded by searching "Gouda" in App Store / Google Play.

report your claim at our website www.gouda.no

The bearer of this card holds a travel insurance policy with Gouda Travel Insurance. In case of serious illness/injury or hospitalization, please contact Gouda's Emergency Center immediately:

Gouda's Emergency Center (24 hours)
Tel.: +45 33 15 60 60
Fax: +45 33 15 60 61
E-mail: alarm@gouda.dk

Before calling the Emergency Center, please spend a few minutes on gathering the following relevant information: Policy number, name and telephone number of the insured and the attending facility/doctor as well as a description of the accident/illness and the diagnosis, if available.
